## Healthy Eats: Switch Up Your Diet for Fall with These

### Tips

Aug, 22 2013 at 11:56 PM

As we approach fall, you may find yourself spending more time indoors and less time being active outdoors. If you find yourself heading into a Fall/Freshman 15 feeding frenzy, you're not alone, according to personal trainer, certified nutritionist and exercise physiologist Franci Cohen.

## Story Highlights

As we approach fall, you may find yourself spending more time indoors and less time being active outdoors.

If you find yourself heading into a Fall/Freshman 15 feeding frenzy, you're not alone, according to personal trainer, certified nutritionist and exercise physiologist Franci Cohen.

In just one blended drink you can have almost all of your fruits and veggies for one day, like the ingredients for Franci's Tart n' Tangy Juice.
