Franci Cohen & Gold's Gym Present "Cycling Under the Stars" to raise funds for the Tour de Cure and Sephardic Bikur Holim. Participants will be riding in honor or in

memory of a loved one and funds raised will go directly to both Sephardic Bikur Holim (a non-profit mental health and social service agency dedicated to caring for people in need with compassion, discretion, and respect (sbhonline.org), and Tour De Cure. We are inviting you to join us on August 13th to either ride for their own loved ones or support someone who is. What better way to celebrate philanthropy than with a little fitness under the stars?
