## Chocolate Halloween Pretzels Your Little Goblins Will Love

One of my favorite treats ever is the chocolate-covered pretzel. The combination of the crunchy, salty pretzel with the sweet chocolate is, in my opinion, perfection. So if you're looking for a fun Halloween snack, head to the store today to stock up on pretzels so you'll be ready with these fun treats in time for Halloween tomorrow. Decorate them with sprinkles, fall leaves or our favorite idea, [ghosts!](#)
